Top-Ten Finish for Yontz at Concord

The No. 77 team scores twelfth top-ten finish of the season

Lexington, NC — The No. 77 Cardinal Motorsports team traveled to Concord Speedway last weekend to participate in the UARA-STARS Celebrity's Hot Dogs of Concord 150. Driver, Alex Yontz was able to score a top-ten finish and remain fifth in the driver point standings.

The team hoped to keep the momentum from the previous weekend's win at Newport Speedway. However, it was not in the cards for Concord.

Yontz qualified fourth for the 150-lap event and finished ninth.

Steve Wallace was the race winner. He blew an engine during practice on Friday and spent most of the day replacing it for the race on Saturday.

The final UARA-STARS race of the season is at Rockingham Speedway on November 5. Qualifying is on Friday and the racing action begins at noon on Saturday.

Race Results – Concord Speedway

Cardinal Motorsports, Inc.

Cardinal Motorsports was started in 2009 by investors with a common passion for racing. The team has fielded cars in the NASCAR Nationwide and ARCA series as well as several Late Model Stock Car divisions. Its mission is to provide the best equipment, guidance and experience to drivers with the passion to race and the drive to succeed.

C&J Energy Services, Inc.

C&J Energy Services, Inc. is a rapidly growing independent provider of premium hydraulic fracturing and coiled tubing services with a focus on complex, technically demanding well completions. C&J also provides pressure pumping services in connection with well completion and production enhancement operations. C&J has historically operated in some of the most geologically challenging basins in South Texas, East Texas/North Louisiana and Western Oklahoma. Since the Company's inception in 1997, C&J has developed a strong reputation of consistently delivering to customers technically proficient personnel, high-quality and well-maintained equipment, customer responsiveness and service and crew safety.
